MyTaxes

MyTaxes provides a more secure environment to submit data files and requires less paperwork to process.

If you are not already registered for MyTaxes, when accessing <https://mytaxes.wvtax.gov> you will be required to complete the following steps:

- Taxpayer Verification – This requires your Federal Tax ID Number, individual taxpayer ID number, social security number or WV tax ID number. In addition you will choose a tax account type, the account number and your zip code.
- Create Logon Information
- Add Access to Accounts (Optional)
- Once registered, you may request access to any or all of your tax accounts that are available on MyTaxes.

If you submit your W-2 file via MyTaxes, the submission MUST include the RS record. Failure to include this record will result in the submission being rejected.

A completed annual reconciliation (form WV/IT-103) must be submitted even when uploading the file to MyTaxes

ONLY Current year W-2s may be submitted via MyTaxes, prior year must be submitted on CD Rom.
